

HAMER TOOLS CABLE CUTTER SHEAR JAWS

The Hamer Tools Cable Cutter cuts aluminium, soft copper and data cables.

Featuring a high-leverage design for exceptional cutting capability, and one-handed shearing action and cable-gripping shear-type jaws for expert precision.

Perfect for working in confined spaces and can be carried in most tool pouches.

Bevelled jaw tips provide proper mating and shearing action which protects leading jaw edges.

Hot-riveted joint ensures smooth action and no handle wobble.

Plastic dipped handles for comfort and ease of use.
