The HX4 LED C.O.B. Clip light is the ideal dual color everyday carry light. By combining red and white LEDs, the HX4 LED Clip light is excellent when you need bright illumination or need to use it in situations where you need to preserve your night vision. The universal clip on the light makes it easy to clip on pockets or even the bill of your hat, while the integrated magnets allow the HX4 to be placed on magnetic surfaces. Once placed or clipped to a surface, the light features a 180-degree beam adjustment.
