#### Features:

##### Electrician's Tool Pouch (ETP6)

- Heavy duty stitching & rivets
- Hammer loop for easy access
- Key clip
- Tape measure clip
- Divided main pockets & extra loops
- Open ended tool holder
- Electrical tape loop

##### Universal Pliers 8.5" (PU-8)

- Made from durable, high-quality forged steel, these pliers are designed to perform day to day for a long life. We back this with our 5 year warranty.
- Moulded grip handles (PUMG-8 and PUTERM-8) are specially designed for comfort.
- High-leverage design and hot-riveted joint ensures smooth and easy use.

##### Side Cutting Pliers 8" (PSCA-8)

- Featuring short jaws and beveled cutting edges which allow close cutting.
- Made from high-quality forged steel with plastic dipped handles, the side cutters are made to last and remain comfortable throughout their life of everyday use.
- The hot-riveted joint ensures a smooth cutting action.
