

HAMER TOOLS ADJUSTABLE WRENCHES

The Hamer Tools Adjustable Wrenches make hard work easy.

Coming in three different sizes, 8 inch, 10 inch and 12 inch, the range really covers any need you might have.

Made from high quality steel, the wrenches are durable and made to last.

Adjustments are easy through the in-reach wheel, giving you quick access to a variety of sizes.

The knurl turns smoothly for easy operation.
